that you will wish to prolong. Our services, the professionalism of our staff, the central position and warmth that we show to our customers will ensure them having very pleasant days.

Our services are designed either for business customers, families, groups, as for the simple tourist visiting the capital of Romania.

From our hotel you can visit accompanied by the diver, our guides and translators, all places with artistic and historical relevance of Bucharest and Romania, with a variety of packages available that will please any customer. For example: Art, History, Business, Cultural, Night, Poker, and more, all created by a team that prides itself with noticeable experience in the field. On the appropriate link you will see, in time, all our offers.

In addition, by subscribing to our newsletter, you receive monthly on your email address all the news about programs we organize for our loyal customers.
