**We excel in three major aspects: location, as we are located in the centre of Brasov, a Romanian city with rich history and breathtaking scenery, ambiance, as we offer to our guests exclusive comfort and elegance, and client orientation, as we welcome with the famous Romanian hospitality both business and leisure travelers around the world, doing our best every day to make their stay worthwhile.**

**Brasov - one of the most cherished cities of Romania - a place where hospitality, beauty of nature and joy of life are at home. Being at the same time one of the most important business and tourism cores of Romania, Brasov becomes every year one of the top target cities for travelers all over the world. Did you know that Brasov is one of the best preserved medieval towns of Europe? Most of the old town has been restored for the past few years and this has triggered a major increase in the number of visitors. But tourism does not thrive only on the city's rich history, as Brasov is famous also for its breathtaking sceneries, being situated in Transylvania, at the foot of the Carpathian Mountains.**
